This year's Giving Tree charity is **Smalls for All**. This is a Scottish charity which works in partnership with a number of organisations to collect and distribute underwear to help women and children in Africa. They help those living in orphanages, slums, Internal Displacement Camps and schools as well as providing underwear to hospitals to help those suffering from some medical conditions. At the moment they are working with partners to make up 'hygiene packs' for girls and young women and have asked for donations of black "full" pants for these packs. They also need underwear for boys aged 3 to 15 years. Underwear is something we really don't give much thought to but it is vitally important to girls and young women who may have to miss school if they don't have any, and as we know, education is one of the best ways to help lift people out of poverty. As in previous years, we will be very grateful if you will take one or more gift tags from the tree, purchase the item on the tag and put your gift into the marked basket at the main door. The last day for receiving donations is **Sunday 2nd December**.

Share Your Blessings

DUNDEE FOODBANK : In the run up to Christmas we would be grateful if everyone could donate something special eg cake, chocolates, biscuits etc. Household items are also required for

'STARTER PACKS' eg cutlery, crockery, bedding, cleaning materials
These items can be placed in the box at the main door.
