Refugee Petition

'With Refugees Broughty Ferry' is supporting a European Union-wide petition, the "Welcoming Europe" campaign. The aim is to gather one million signatures seeking better EU policies which will increase EU help to local groups working with refugees, stop countries criminalising such groups and implementing measures to reduce labour exploitation, crime and human rights abuses at our borders.

Could you support this campaign?

It is very easy to do.

Just go to the following website and sign the petition online:
